

# Write to Remember

## A Simple Study Method

Learn faster. Remember longer.  
Succeed in exams.

All you need  
is an exercise book  
and a pen.

1

**Open your  
school notebook**

2

**Turn notes  
into questions**

Example: "The capital  
of Ghana is \_\_\_\_?"

4

**If wrong:  
write answer  
10 times**

In an  
exercise book.

3

**Try to answer  
from memory.  
No peeking.**

5

**Try again –  
if correct, move on  
If wrong, write again.**

6

**After notebook,  
do textbook  
questions.**

### Why It Works

- Exam practice: Same format as real tests.
- Memory boost: Writing helps lock facts in your brain
- Simple: Only need a notebook and pen
